Sethumadhavan_AP.pdf	"**Name:** Sethumadhavan V\n\n**Email:** sethumadhavanvelu2002@gmail.com\n\n**Phone:** 9159299878\n\n**Years of Experience:** Less than 1 year (Based on the internship and training experience mentioned. No explicit years of experience provided.)\n\n**Skills:**\n\n* **Front-end:** HTML/CSS\n* **Back-end:** Python, Flask, FastAPI\n* **Database:** SQL, MySQL\n* **AI:** (Mentioned within other categories)\n* **Data Science:** Python, SQL, Power BI, Streamlit, Matplotlib, Seaborn, Pandas, NumPy, Scikit-learn, SciPy, Data Collection and Cleaning, Data Preprocessing, Data Analysis, Machine Learning, Large Language Model, Natural Language Processing, Business Analytics, Data Visualization, Artificial Intelligence\n\n**Location:** Vellore\n\n**Projects:**\n\n* **Secure Data Sharing of Personal Health Records in SQL Using AES Algorithm:** Used Python, Streamlit, AES, MySQL. Focused on data security, encryption, and user interface development.\n* **Automated Resume Parsing and Skill Analysis System:** Used Python, Flask, Sentence-BERT, Cosine Similarity, PyPDF, HTML, CSS, Gemini API. Focused on NLP, resume analysis, and integration with Google Generative AI.\n\n**Graduation:** M.Tech Integrated Software Engineering, Vellore Institute of Technology, Vellore (Jul 2019 – May 2024), CGPA: 7.65\n\n**Post-Graduation:** Not mentioned.\n\n**Certifications:**\n\n* IITM Certified Programming Professional and Master Data Science, GUVI Geek Network Private Limited (Mar 2024 – Sep 2024)\n* Generative AI, GUVI Geek Networks\n* SQL, CareerNinja	LearnTube\n* Power BI, GUVI Geek Networks, IITM Research Park\n* ChatGPT for Everyone Bengali, GUVI Geek Networks, IITM Research Park\n\n**Summary:**\n\nSethumadhavan V is a recent M.Tech graduate in Software Engineering specializing in Python Development, Data Engineering, and Machine Learning. He possesses a strong skillset in data analysis, backend development, and AI-related technologies. He has project experience in building secure data management systems and automated resume parsing

	applications. He also has experience as a trainer in data analytics and as an intern in intelligent automation services. He is seeking an Assistant Professor role.\n"
Sethumadhavan_BA.pdf	"**Name:** Sethumadhavan V\n\n**Email:** sethumadhavanvelu2002@gmail.com\n\n**Phone:** 9159299878\n\n**Years of Experience:** Approximately 1 year (based on internship and trainer roles) - This is an estimate as exact dates are redacted.\n\n**Skills:**\n\n* **Front-end:** HTML/CSS\n* **Back-end:** Python, Flask, FastAPI\n* **Database:** SQL, MySQL\n* **AI:** GenAI, Gemini API, Sentence-BERT\n* **Data Science:** Pandas, NumPy, Matplotlib, Scikit-learn, SciPy, Statistical Analysis, Data Visualization, Predictive Modeling, Business Analysis, Financial Modeling, Process Optimization, Forecasting, Market Research\n\n**Location:** Vellore\n\n**Projects:**\n\n1. **Secure Data Sharing of Personal Health Records in SQL Using AES Algorithm:** Used Python, Streamlit, AES, and MySQL. Focused on data security, encryption, and user interface development.\n2. **Automated Resume Parsing and Skill Analysis System:** Used Python, Flask, Sentence-BERT, Cosine Similarity, PyPDF, HTML, CSS, and Gemini API. Emphasized NLP, text extraction, and AI-driven analysis.\n\n**Graduation:**\n\n* **Degree:** M.Tech Integrated Software Engineering\n* **University:** Vellore Institute of Technology, Vellore\n* **CGPA:** 7.65\n* **Dates:** Jul 2019 – May 2024\n\n**Post-Graduation/Certifications:**\n\n* **IITM Certified Programming Professional and Master Data Science:** GUVI Geek Network Private Limited (Grade: A, Feb 2024 – Sep 2024)\n* **Generative AI:** GUVI Geek Networks\n* **SQL:** CareerNinja	LearnTube\n* **Power BI:** GUVI Geek Networks, IITM Research Park\n* **Financial Literacy:** UNICEF\n\n**Summary/Objective:**\n\nM.Tech graduate in Software Engineering specializing in Business Analysis, Data Visualization, and Predictive Modeling. Proficient in Python, SQL, Power BI, and statistical analysis, with experience in financial modeling, process optimization, and stakeholder communication. Adept at analyzing complex business problems, identifying key insights, and developing data-driven solutions. Seeking an entry-level Business Analyst position.\n"
Sethumadhavan_DA.pdf	"**Name:** Sethumadhavan V\n\n**Email:** sethumadhavanvelu2002@gmail.com\n\n**Phone:** 9159299878\n\n**Years of Experience:** While not explicitly stated, the resume suggests he's seeking an entry-level position, implying limited professional experience. His internships and training experience provide some practical exposure.\n\n**Skills:**\n\n* **Front-end:** HTML/CSS, Streamlit\n* **Back-end:** Flask, FastAPI\n* **Database:** SQL, MySQL\n* **AI:** Sentence-BERT, Gemini API\n* **Data Science:** Python, Pandas, NumPy, Matplotlib, Seaborn, Plotly, Data Cleaning, Preprocessing, EDA, Predictive Modeling, Regression, Statistical Analysis, Data Warehousing\n\n**Location:** Vellore\n\n**Projects:**\n\n* **Secure Data Sharing of

File Name	Metadata
	Personal Health Records in SQL Using AES Algorithm:** Used Python, Streamlit, AES, and MySQL. Focused on data security and encryption.\n* **Uber Fare Prediction and Streamlit Web Application:** Used Machine Learning, Data Cleaning, Regression Modeling, Time Series, Streamlit, and AWS. Built a predictive model and deployed a web app.\n* **Automated Resume Parsing and Skill Analysis System:** Used Python, Flask, Sentence-BERT, Cosine Similarity, PyPDF, HTML, CSS, and Gemini API. Focused on NLP and resume analysis.\n\n**Graduation:** M.Tech Integrated Software Engineering, Vellore Institute of Technology, Vellore (Jul 2019 – May 2024)\n\n**Post-Graduation:** While not a formal post-graduate degree, he completed an \"IITM Certified Programming Professional and Master Data Science\" course at GUVI - ZEN Class, IIT-M (Feb 2024 – Sep 2024). This is a significant qualification in Data Science.\n\n**Certifications:**\n\n* Generative AI (GUVI Geek Networks)\n* SQL (CareerNinja | LearnTube)\n* PowerBI (GUVI Geek Networks, IITM Research Park)\n* ChatGPT for Everyone Bengali (GUVI Geek Networks, IITM Research Park)\n\n\n**Summary:**\n\nSethumadhavan is a recent M.Tech graduate in Software Engineering with a specialization in data analysis and a strong focus on data science through additional certifications and training. He possesses skills in Python, SQL, various data science libraries, and front-end/back-end web development. He has project experience demonstrating his abilities in data security, predictive modeling, and NLP. He is seeking an entry-level Data Analyst position.\n"
Sethumadhavan_Data_Engineer.pdf	"**Name:** Sethumadhavan V\n\n**Email:** sethumadhavanvelu2002@gmail.com\n\n**Phone:** 9159299878\n\n**Years of Experience:** Entry-level (Objective states seeking an entry-level position) - Less than 1 year as a Trainer.\n\n**Location:** Vellore\n\n**Skills:**\n\n* **Front-end:** HTML, CSS, Streamlit\n* **Back-end:** Python, Flask, FastAPI, API Integration\n* **Database:** SQL, MySQL, Data Warehousing, Data Modeling\n* **AI:** Sentence-BERT, Cosine Similarity, Gemini API\n* **Data Science:** Pandas, NumPy, Scikit-learn, SciPy, Genai, Data Collection, Data Preprocessing, ETL, Data Pipelines, Power BI, Matplotlib, Plotly, Seaborn, Data Visualization\n\n**Projects:**\n\n* Secure Data Sharing of Personal Health Records in SQL Using AES Algorithm\n* YouTube Data Harvesting and Warehousing\n* Automated Resume Parsing and Skill Analysis System\n\n**Graduation:**\n\n* **Degree:** M.Tech Integrated Software Engineering\n* **University:** Vellore Institute of Technology, Vellore\n* **CGPA:** 7.65\n* **Period:** Jul 2019 – May 2024\n\n**Post-Graduation/Certifications:**\n\n* IITM Certified Programming Professional and Master Data Science (GUVI Geek Network Private Limited) - Grade: A (Feb 2024 – Sep 2024)\n* Generative AI (GUVI Geek Networks)\n* SQL (CareerNinja | LearnTube)\n* Power BI (GUVI Geek Networks, IITM Research Park)\n* ChatGPT for Everyone Bengali (GUVI Geek Networks, IITM Research Park)\n\n\n**Summary/Objective:**\n\nM.Tech
